

MB-4S

Sell Sheet

JANOME

WHAT'S NEXT

a story in every stitch

MB-4S

*RCS
(Remote Computer Screen)*

LCD color touch screen.
Large viewing area.
USB slot on side.
Attaches to MB-4S or is
free standing.

*Increased amount of
Bobbin Thread*

This bobbin is larger than
the previous type and can
hold 40% more thread
so the need to replace
thread is reduced.

Sub-Control Panel

Built on to the side of the
machine, allows the MB-
4S to be fully functional
without the RCS unit
attached

Multi Lighting

4 white LED lights help
users increase efficiency
of embroidery work
